## Jun Javier Music School

Jun Javier Music School provides music lessons for students of varying ages and ability levels. Within a positive learning environment and with the support of dedicated teachers, students expand and improve their musical appreciation, comprehension levels and performance skills to reach their full potential. The students have performed at many local community events for Blacktown City Council, The Blacktown Festival, Prayerwatch and have also marched in the ANZAC Day parade.

The students will be embarking on a tour of the United States this Christmas and will perform in venues from the East to the West Coasts. For more information about Jun Javier Music School or Blacktown City Community Band, email [bcommunityband@gmail.com](mailto:bcommunityband@gmail.com)

Students from the Jun Javier Music School will be performing at Westpoint Blacktown on Thursday 29 October from 6pm ON FOUR, level four.

The Westpoint Community Heroes Programme provides a \$1000 grant to one not for profit group or individual each month. Nominations close on the 20th of each month, and can be made by visiting [www.westpointblacktown.com.au](http://www.westpointblacktown.com.au)
