This Month we recognise: The Blacktown Salvation Army Band

The Blacktown Salvation Army Band has been supporting the local community for over 60 years, performing for a variety of local venues including nursing homes and hospitals as well as the Salvation Army Church Service every Sunday.

Throughout the Christmas period the band performed at Westpoint as part of Santa's Arrival Parade as well as other community events to spread the joy of Christmas whilst collecting donations for those less fortunate.

The band also presents a series of concerts throughout the year and occasionally combines with other local bands to participate in civic and community events such as Anzac Day and the Blacktown City Festival.

For more information about The Salvation Army Band or to have them perform at your local event, email doug.hardy@ae.salvationarmy.org
